

# Raising Attainment in Edexcel GCSE 9- 1History

Led by History Resource Cupboard's Richard McFahn, this course will ensure that you leave knowing how to raise attainment for all students studying the Edexcel 9-1 History GCSE.

## You will:

- ✓ Hear feedback from Edexcel examiners on student performance in the first Edexcel 9-1 History GCSE examination.
- ✓ Interpret the key points in the examiners reports and see how to adapt your planning and teaching accordingly.
- ✓ Analyse student responses to see exactly what is required for success.
- ✓ Find clear solutions to the issues raised by the first 9-1 GCSE examination to provide you with the tools for success over the coming year.
- ✓ Gain access to ideas and theories from up to date scholarship and research to enable you to teach History beyond the examination requirements to ensure maximum impact.

- ✓ Consider how to plan to help your students retain the core knowledge required whilst developing their ability to think historically.
- ✓ Discover how to assess individual student progress at any point of the course, dramatically reduce your marking load and use gap analysis data to plan more effectively.
- ✓ Leave with practical ideas that you can use immediately to inspire and challenge your own classes.
