

Clue C

A close up of one of the skulls

Clue D

Many of the soldiers from this new find have been entirely stripped of their weapons and armour.

Clue E

One of the few weapons found on the site, this "pugio" was a dagger used by Roman soldiers, possibly as a sidearm

Clue F

Ireland was divided into tribes in the 1st century AD.
The Fir Domnann Tribe ruled the area where the skeletons were discovered

Legend has it that the Irish tribes were war mad. They fought each other often. Local leaders fought each other to increase their power.
