

Print and cut out:

Around 800.

Vikings hunted walruses...  
boats were used  
Viking  
Vikings hunted walruses...  
boats were used

Deer antlers  
could be used to make...

Erik the Red...

...are experts  
in the Earth's history.

human  
history.  
(and pre-human)  
used by the Vikings.  
Letters  
of the alphabet

What  
material  
did Vikings  
put in their windows?

...on  
Lindisfarne Island in 793.

A long  
period of low rainfall.

...were known for  
their good farming land.

In the 1400s.

When was  
the Rok runestone carved?  
The late 900s.

When  
did the Greenland  
settlement 'disappear'?  
longboats.

What  
material can be  
made from pine tree resin?

Where is Newfoundland?

Print and cut out:

When  
did the Vikings  
arrive on  
Greenland?

In modern-day  
Canada.

The Inuit people.  
Glass.

Geologists...

...headed  
for Greenland in 985.

...hair combs.

Journeys  
to Constantinople...

The Vikings  
raided a monastery...

...were  
traught with danger.

Amber.

Archaeologists study...  
...for their ivory tusks.

Who arrived  
on Greenland  
after the Vikings?

What are runes?

The  
mountainous western  
regions of Norway...

What is a drought?
